## Reason #3 to Attend Share16

## Advance Your Company AND Your Career

At Share16, we've dedicated an entire track in our conference agenda to your business and career elevation.

Marketing leaders from top companies will share their real world experience of what it takes to successfully sell your ideas and integrate digital marketing across the organization.

Ultimately you'll learn how to transition from being an online practitioner to becoming a cross-functional, organizational leader.

This is one reason why we're not surprised that Forbes Magazine featured Share16 as one of the top "Marketing Conferences to Check Out in 2016"!
